5TH WFDYS CHILDREN CAMP 1-7 OCTOBER FLORIDA URUGUAY 2022

★ **DISCOVER MANY STARS** ★

FIRST ANNOUNCEMENT

Dear Deaf Youth Associations / Sections and/or Deaf Associations

We are pleased to announce that the Organizing Committee of the WFDYS Camp of the country Uruguay will be responsible for organizing the 5th Children's Camp of the World Federation of the Deaf Youth Section to be held in South America in Florida, Uruguay, from October 1 to 7 October 2022.

The camp aims to give children the opportunity to train in leadership from an early age in different activities, create and foster ties between deaf children from different countries, ensuring the tools to consolidate their identities and become part of a culture where they will be empowered and confident in their human rights. This camp will also offer support for cultural exchanges between different nationalities.

We will achieve this through our motto "Discover Many Stars".

Starry nights give us a wonderful feeling, we believe that this same feeling will occur when experiencing the camp. This camp is an opportunity to meet and have many moments shared with children from different parts of the world. An enriching experience that will invite participants to meet each star such as the Culture star, the Sign Language star, the Identity star, the Experience star, the Imagination star, the Motivation star and many more.

The registration fee is 450 Euro and 350 Euro per person. This fee applies to all participants and leaders. This fee will cover your accommodation, meals, local transportation, trainings, workshops, activities, and resource materials.

Any participant or leader who is interested in attending the camp are required to contact their Deaf Youth Associations / Sections and / or Deaf Associations. We will only accept registrations and application forms through Deaf Youth Associations / Sections or Deaf Associations. Submission of individual applications will not be accepted. The deadline for registration and application forms will be May 1, 2022.

We will accept the first two participants out of every four participants and one leader from each country; However, if we can accept an additional number of applications, we will ask each country to send more participants.
