THEME

"Intersectionality inside a minority"

What does intersectionality mean?

Intersectionality is the acknowledgement that everyone has their own unique experiences of discrimination and oppression and we must consider everything and anything that can marginalise people – gender, race, class, sexual orientation, physical ability, etc (Womankind Worldwide, 2019).

As Deaf people, we experienced discrimination and oppression from the hearing community, but being Deaf is not the only reason to why we experienced discrimination. Actually, there are other various multiple discriminations e.g. due to genders, ethnicity, classes, religions, sexual orientations, etc. in the Deaf community.

For this reason, we are taking this issue to camp. The camp aims to analyze and illustrate the interaction of different positions of social inequality.

Registration for EUDY Junior Camp leader is [here](#)

The application for both registrations is the responsibility of YNAD.

The registration deadline is **on 17th April 2022 at 23:59 CET**

RESERVE: For all registrations, all YNADs are allowed to add a reserve of minimum 2 participants for Junior and 1 participants for leader.

If a junior or leader is unable to attend due to various reasons, such as being Corona-positive, a junior or leader from the reserve may then switch and attend the camp.

For the selection progress of participants for Junior: EUDY and OC would like to empathise with the importance of diversity and intersectional identities in the group of participants, such as Deafblind, Deaf & additional disabilities, Black and People of Colour, LGBTQIA+ Deaf Youth and Gender balance. This is not a mandatory, but we hope your YNAD to rethink about this in the selection progress.
